The claims are drawn to methods and apparatus for varying copy rates and feed intervals based on a *specific* combination of parameters. The combinations set forth in independent claims 1, 6, 12 and 17 are neither suggested nor disclosed by the prior art of record. Therefore, the claims are allowable over the art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
